Exhibit Prospectus

VISIT www.midwestvascular.org

Dear Colleague,

We invite you to exhibit at **Midwestern Vascular 2019, the 43rd Annual Meeting to be held September 12-14, 2019 at the Westin Chicago River North Hotel.**

The Midwestern Vascular Surgical Society is one of the premier regional vascular societies. Each year at our Society meeting, attendance is consistently excellent and we are fortunate to have in our membership some of the leading vascular and endovascular surgeons representing the largest institutions in the Midwest region participate.

By exhibiting at Midwestern Vascular 2019, your company will be engaged with over 150 vascular and endovascular specialists including physicians, surgical residents and fellows, medical students, mid-level providers and hospital administrators in an exclusive setting that provides interaction with your main customers and colleagues.

The Society is dedicated to offering high quality, comprehensive education through excellent scientific sessions. The MVSS meeting assists our physician members in modifying their practice patterns in truly useful ways, as well as applying new techniques that help generate the best patient outcomes. Thus, our attendees experience a varied and stimulating selection of educational exchanges, while also learning about new products and technologies in a congenial setting.

This year a record number of abstracts were received enabling the Program Committee to develop an outstanding scientific program. Highlights also include the New Horizons in Vascular Surgery sessions, poster session, and a special presentation by our Honorary Guest Lecture. The Mock Orals continues to be a great success and the Society will continue with this excellent program for our senior residents/fellows and outgoing 0-5 residents. The Society will also continue offering the Medical Student Education Program, designed to introduce medical students to vascular surgery as a career choice. The 6th Annual Surgical Skills and Simulation Assessment Program will be held as part of the Mock Orals on Thursday morning. This program will assess vascular fellow and resident skills in performing open and endovascular procedures. The Preliminary Program and information about these programs may be found at www.midwestvascular.org

The exhibits will open at 1:00 pm on Thursday, September 12 and remain open through Friday evening, September 13. Attendees have the opportunity to visit your company's exhibit during prime exhibit hours, including the morning and afternoon sessions of the Annual Meeting. A historically enjoyable evening includes the Welcome Reception in the exhibit hall on Thursday evening, at which time meeting attendees and company representatives can interact in a more social and relaxed atmosphere. All events in the exhibit hall are designed to enhance participants visiting and interacting with exhibitors.

The fee for exhibiting remains **\$3,500 for a tabletop display**. To show our appreciation to the exhibitors, the exhibit fee includes three (3) exhibit badges for company representatives. The Society also welcomes educational grants of **Platinum Level (\$12,000), Gold Level (\$10,000) and Silver Level (\$7,500)**. Because of ACCME regulations, exhibit space cannot be offered as part of the educational grants. Additionally, a number of marketing opportunities also are available. Information about educational grants and marketing opportunities, as well as the applications to exhibit and marketing support may be found in this prospectus. We encourage your company to consider participating as an educational sponsor at this year's meeting, and/or highlighting your products through the additional marketing opportunities that are available.

The Westin Chicago River North is located in the heart of the theatre district, overlooking the Chicago River. World-class restaurants, thrilling nightclubs, and famed museums surround the hotel on all sides. A short walk can bring you to Michigan Avenue, Willis Tower, Chicago Theater, and the Civic Opera House. The hotel will be accepting reservations in the MVSS room block in June.

Exhibit space for the Annual Meeting sells quickly. We urge you to return your application before the **Friday, August 2, 2019 deadline**.

Thank you for your consideration and support of the Midwestern Vascular Surgical Society and its educational programs. We look forward to working with you and to welcoming you and your company to our 2019 Annual Meeting in Chicago.

Sincerely yours
Midwestern Vascular Surgical 2019 Executive Council
